Q.2. Make a list of the poetic devices used in the given poem and compose a poem using poetic devices that you have identified.

All the world's a stage
And all the men and women merely players:
They have their exits and their entrances,
And one man in his time plays many parts,
His acts being seven ages. At first the infant,
Mewling and **puking** in the nurse's arms .
Then the whining schoolboy, with his **satchel**
And shining morning face, creeping like snail
Unwillingly to school, And then the lover,
Sighing like furnace, with a **woeful** ballad
Made to his mistress' eyebrow. Then a soldier.
Full of strange **oaths**, and bearded like the **pard**,
Jealous in honour , sudden and quick in quarrel,
Seeking the bubble reputation.
Even in the **cannon's** mouth. And then the **justice**,
In fair round belly with good **capon** lined,
With eyes severe and beard of formal cut,
Full of wise **saws** and modern instances;
